

Profile

Quansheng Metal Products Co.,Ltd is a professional manufacturer of custom POP displays, merchandisers, store fixtures, and components. We are capable of meeting any forming, bending, fabricating, or powder coating finishing(expert in clear finishing), brushed satin nickel, mirror chrome plating. We also supply plastic EXTRUSION or INJECTION.

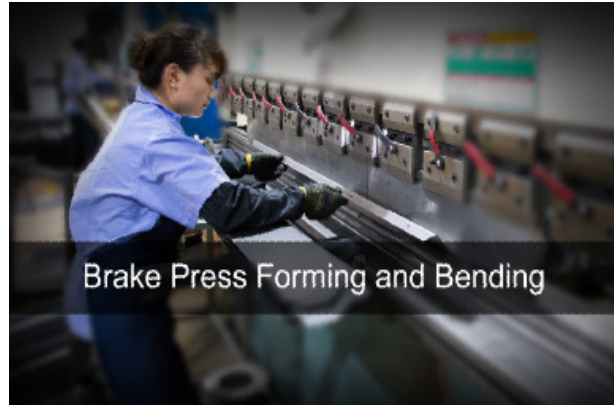

At Quansheng Metal Products, our focus is providing custom, value-driven, high quality fixtures for for retail,hospitality and unique workplaces. Our team provides complete fabrication services from requirements you may have and create cost effective runs. Each year our team develops over 1,000 new items for our customers.

Since 2007, we have been manufacturing exceptional fixtures for our clients. Our nearly 107,000 SF facility is filled daily with the pride and accomplishments of over 150 team members. Our ultimate goal is to become your valued partner, providing exceptional, customized service every step of the way.

SERVICE BRAND

About Us

The Capability

QS Metal Products we pride ourselves on being a one stop shop for all of your metal fabricating needs. With two manufacturing plants in Xiamen, China, giving us over 107,000 square feet of space with over 150 experienced staff, we can respond quickly to our customers needs working with wire, sheet metal and tube in different finish. We are expert at Clear Finish, Brushed Nickel and Mirror Chrome.

Design and Engineering

The engineers at QS Metal can be using CAD, Pro-E and Solidworks to transform them into effective, cost-saving massive production displays whatever you send us the designs concept or flat layout drawings.

Prototyping

As per for customers' requirement, our well-trained engineers are able to turn the prototypes in a matter of days, not weeks. Also, the samples can be easily matched with the massive production.

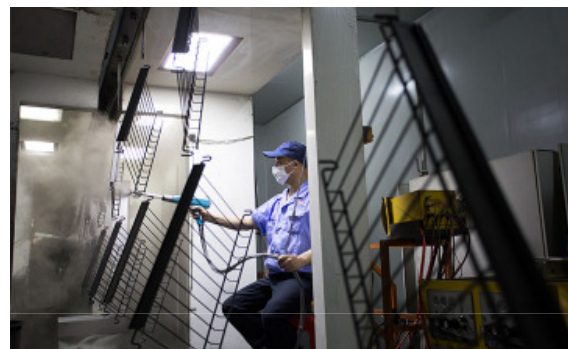

Metal Fabrication

Our stable and experienced staff, with modern equipment and facilities enable us to maintain a high standard of workmanship.

Metal Finishing

We have one automatic powder coating line to meet your needs for any colours. Also, we have stable outsourcing resources for qualified chrome.
